

## PAKISTAN ASSOCIATION OF UROLOGICAL SURGEONS KARACHI CHAPTER

# Online Course Pediatric Urology Update for FCPS II Trainees

Join us through 

This is an update course from some of the leading faculty in the arena of pediatric urology (barring myself). Designed to cover some of the major areas to facilitate learning of the residents taking urology final fellowship examination. We are mindful of the fact that pediatric urology is a major deficiency in the training schema as majority of the centers lack qualified and experienced pediatric urologist. So take full advantage of this opportunity and learn from the experts.
